A Charitable Gift Annuity (CGA) is an agreement between you and the Church of God Foundation that involves a charitable gift and an annuity. You make the gift to COGF (a portion of which is tax-deductible), then you receive fixed-rate annuity payments for the remainder of your life. After your death, the remaining funds are distributed to the Church of God ministries you recommend.

The agreement we make with you is a contractual commitment, and the Church of God Foundation has never failed to pay our gift annuity donors what we promised. CGA payout rates are based on the scale adopted by the American Council on Gift Annuities.
