

# COGF GENEROSITY FUND

A STREAMLINED APPROACH TO MAXIMIZE THE IMPACT OF YOUR GIVING

A COGF Generosity Fund (CGF) is a simple to create, low-cost, flexible solution to manage your charitable giving. Also known as a donor-advised fund, it is one of the fastest growing charitable giving vehicles in America.

A Generosity Fund operates like a charitable giving checking account; however, instead of depositing money and writing checks, you can contribute various types of assets (cash, stocks, bonds, non-liquid assets), receive an immediate tax-deduction, and later recommend grants from those assets to Church of God ministries and other charities. A Generosity Fund can streamline all of your charitable giving into one account, and you will only have to keep track of one gift receipt per year for tax purposes.
